Loan Calculation & Cost Comparison

Auto title loans are cash advances provided to a borrower to meet financial needs. As a borrower, you will be required to use your car as collateral for the loan. You will be required to sign a loan agreement that tells you the amount you have requested to borrow, the annual percentage rate (APR) for that loan, the amount of interest and fees that may be charged for that loan, and the payment terms of the loan. Auto title loans may be one of the more expensive borrowing options available to you. *Auto title loans may also be referred to as car title loans, title loans, or title pledges.*
